No contestant shall wrestle in two (2) consecutive matches with less than thirty (30) minutes rest between matches in the same bracket, unless both of the coaches and wrestlers involved agree to waive the rest period.

Rule 2 Every wrestling area, no matter what size, must have a minimum three (3) foot safety mat area next to any floor surface and five (5) foot from any wall or post. Two (2) coaches' boxes will be marked in appropriate locations within the safety area. The coaches' boxes are to be no more than five (5) foot in width. The wrestling area of the mat shall be based on the age group competing, as follows:
 Under 11 must have a minimum wrestling area of 15'x15'

The Tournament Director will have a medical aid procedure in operation and at a minimum of an E.M.T. present on site, and will advise the coaches who the medical director may be.

The safe handling of blood cleanup on the mats will be the responsibility of the host tournament director, who will have cleanup materials at all mat areas.

Rule 4 The legality of all uniforms will be up to the referee, and need not conform to the NFSHSA rule.

The written documentation required by Rule 4-2-3 must consist of the form designed by USAW Kansas Kids, Inc. This form must be accompanied by a physician's letterhead or prescription form.
