**Note:**

USA Wrestling has set forth a requirement that all officials working USA wrestling sanctioned events must be members of USA wrestling. If all officials are not USA members, the tournament's USA Wrestling sanction and liability coverage will be invalid.

There are 2 options available.

**Option 1**

Register as a Volunteer Member on the [www.usawmembership.com](http://www.usawmembership.com) website. Complete the SafeSport certification course and have a current background check (available at no cost). You can officiate at our events, but not receive any membership benefits from USA Wrestling, including any insurance protection. There is cost for this option.

**Option 2**

Register as a Wrestling Leader on the [www.usawmembership.com](http://www.usawmembership.com) website. Complete the SafeSport certification and have a current background check (at no cost). You will receive all the USA Wrestling benefits, including insurance. The membership cost is \$40 plus a \$5 processing fee. This membership includes insurance that covers you during the USAW event and while you are traveling to and from the events. Go to <http://content.themat.com/forms/Insuranceinfo.pdf> if you want to see the complete summary of coverages.

### **Exceptions**

Wrestlers under the age of 19 will be permitted to be used as officials at local tournaments when supervised by their school coach or a registered official.
