The agenda was approved unanimously. The minutes from the prior year's state body meeting were reviewed and approved unanimously.

Reports of Officers

- A. Treasurer Leanna Grater presented a draft copy of the financial results from last season. A copy of the report is attached.
- B. Assistant State Director Mark Stanley introduced the members of the state tournament committee and thanked them and the other volunteers for their help with the tournament. Tapeless mats will be used at this season's state tournament and will available to clubs and schools after the conclusion of the event.
- C. State Freestyle/Greco Director Will Cokeley notified the membership that this season's Southern Plains camp will be held at FHSU. The tournament will remain in Dodge City.

- D. Officials Representative Keith Ashpole reviewed several alternatives he is working on to increase our officials' membership and improve upon their abilities, including developing clinics for officials. He discussed the officials' reimbursement plan and clarified that only brand new officials, in good standing with the KSHSAA and registered with USAWKS on or before December 31 will qualify for the reimbursement.
- E. District 1 Director Joe Knecht said that District 1 is recognizing Barb Shields as its District Person of the Year and also as its nominee for State Person of the Year.
- F. District 2 Director Richard Salyer said that District 2 recognized Scott MacLaughlin as its District Person of the Year and Skip Harrington as its nominee for State Person of the Year.
- G. District 3 Director Lance Engel said that District 3 selected Rick Creek as its District Person of the Year and Doug Vander Linden as its nominee for State Person of the Year.
- H. District 4 Director Steve Woody said that District 4 selected Butch Drylie as its District Person of the Year and Patty Ochs as its nominee for State Person of the Year.
 - I. Chairman Mike Juby reported that membership numbers were up again last season with 9,260 wrestling memberships issued. Kansas has the fourth largest number of wrestlers in the nation holding USA Wrestling memberships behind Illinois, California and Wisconsin. We have the second highest per capita, behind Wyoming. Juby walked through some of the features of the new website. The website is provided at no charge by USAW for all state associations. We will be maintaining our old web host to provide access to prior records that have not been transferred and to maintain our talk forums. Sport Ngin, our new web host, has club sites available as well.

High school teams have a new option this year, which provides them a team charter and membership coverage for all wrestlers on the team for a flat fee of \$300. The membership includes \$5 million in general liability coverage and \$1 million in secondary sports accident insurance per athlete. The KSHSAA has been contacted and confirmed that Kansas high schools are allowed to purchase this membership for their athletes, based on the insurance benefits.

Clubs were informed that their insurance coverage from USAW does not include directors and officers insurance. Juby commented on the vote to keep wrestling in the Olympics and the need to continue to work towards returning wrestling to its former status as a core sport. Every state association, including USAW-Kansas, provided financial support to the Committee for the Preservation of Olympic Wrestling (CPOW).

Discussion was held concerning the scoreclocks and the need to reserve the clocks early. They are being used more frequently and may not be available to clubs that wait too long to reserve them.
