GENERAL INFORMATION

All wrestlers must have a USA Wrestling federation card. Four-man, three-man, and two-man round-robin brackets will be used. We will try to place as many wrestlers as possible into four-man round-robin brackets.

The Hillsboro Wrestling Club is not responsible for any injuries and/or lost or stolen property on or around the school grounds.

There will be a short clinic at 9:00 a.m. on the mat for the wrestlers, coaches, and parents to go over the rules, scoring, and criteria for breaking ties

RULES

This is a takedown tournament. The following rules will be used.

- Scoring:
- *1 pt. is awarded for gaining a normal takedown (example: single leg)
 - *2 pts. are awarded for a takedown in which the defensive wrestler is taken directly to his/her back and held for a two, three, or four count.
 - *3 pts. are awarded for a takedown in which the defensive wrestler is taken directly to his/her back and held for at least a five count.

Matches will consist of one 3-min. period.

At anytime during a back exposure, if the referee notes that the back fits "FALL Criteria" there is a pin and the match is over.

At anytime during the match, if one wrestler leads by 10 pts. it is considered a "technical fall" and the match is over.

After points are awarded, the clock will stop and the wrestlers will be placed back into the neutral position.

If there is a tie at the end of the regular period, the match will go into overtime. Overtime will consist of one sudden death one-minute period in the neutral position. If the tie remains, we will use the 30-second tiebreaker series.

Stalling will be called. (Warning, 1 pt., 1 pt., 2 pts., Disqualify)
